CORONAVIRUS PANDEMIC UPDATE – 29/06/2020

Dear Farmers / Vendors

We are delighted to be able to welcome you back into St Asaph market to see your stock sold. We are well aware how difficult it has been for you to drop off and leave and take this opportunity of thanking you all for co-operating so well and allowing us to provide a competitive marketing process for your livestock during these very strange and difficult times.

HOWEVER, WE ARE ONLY ADVOCATING A LIMITED RETURN AT THIS STAGE - this virus has not gone away and is still affecting people.

We still need to control vendors' presence as far as we reasonably can. We would ask, where practical, that one vendor attends the sale and acts on behalf of others (neighbours and friends) thus limiting numbers staying. If you wish to see the sale then please either leave the market after your stock is penned / weighed and return for the sale start or, if you wish to remain in the market, then please SELF ISOLATE in your vehicle whilst you wait and DO NOT form social gatherings.

It is vital that we respect the market staff and each other, maintaining at all times a strict compliance to social distancing with regular washing of hands. There are a number of additional hand basins around the market so please make use of them on a regular basis throughout the day.

Restricting numbers in the market is particularly important in the market office and we will, therefore, continue to e-mail vendor statements that afternoon and to post cheques as now so that vendors have no reason to enter. Please read all signs and act accordingly. If you are deemed to be in a high or moderate risk group seriously consider your attendance.

Under the current guidance we will not be driving your vehicles off the bays for parking. If you are staying we would ask that you do so and then go back to the bays for sorting / weighing etc. (those of you that are leaving please do not drive off the loading bay until you are ready to go straight out). We repeat that those of you that are to remain please SELF ISOLATE in your vehicle until the sale start.

During the sale vendors MUST NOT OCCUPY alleyways that contain the buyers but rather observe the sale from others. PLEASE BE AWARE THAT NONE COMPLIANCE RISKS THE MARKET'S CLOSURE. The market café will remain closed for the time being - if you are staying then please bring your own provisions.

We look forward to a more normal marketing experience and would again ask for your continued co-operation as we move with this virus.

Thank you - your support throughout has been very much appreciated. Please bear with us whilst we gradually return to more normal trading times when everybody will be welcomed back.

NOTICE TO ALL SHEEP VENDORS

Please ensure that ALL SHEEP have EID tags and that you have supplied a MOVEMENT LICENCE, correctly completed (including your vehicle registration number) and BOOKED your sheep in BEFORE leaving the MARKET.

.....

READING SHEEP TAGS

We are registered as a CENTRAL RECORDING POINT and will record and give you the information you require for cross compliance, amongst other things, at no further charge.

Please be aware of the DEFRA requirements for reading ear tags. There is a disclaimer as far as JONES PECKOVER is concerned regarding tags that do not read, tags that have

come out and, dare we say, sheep that are not tagged. Ultimately the VENDOR is responsible to ensure that he has 100% records to meet Cross Compliance requirements. We can only read what we can read! Please take note of the disclaimer which states "*Jones Peckover have taken all due care and diligence in reading the EID sheep tags shown in this document but will not accept any failure resulting from the tags themselves either because of tag malfunction or installation error and will not accept any financial consequences from such error. Vendors / Purchasers must satisfy themselves as to the correctness of information shown in relying upon it to meet their regulatory responsibilities*".

Please take note that we will do all we can to help you and not shirk our responsibilities. We can do no more than this.

Please see on our website, www.jonespeckover.co.uk, the Defra Q&A Sheep Electronic Identification (EID) CPRCs and Record Keeping Tolerance.

NOTICE TO ALL VENDORS
