NEW STORE CATTLE SALES FOR ST ASAPH LIVESTOCK MARKET**

We are very pleased to announce that we have new sales for Store Cattle, Feeding Cows and Breeding Cattle scheduled for St Asaph Livestock Market. The intention is to go back to the traditional system of selling on the third Wednesday of some months of the year like the successful store cattle fair days that were held at Abergele Livestock Market years ago.

These sales will be held to sell:-

- Store Cattle (Steers, Heifers and Feeding Bulls)
- Feeding Cows (TB tested prior to sale or from a Low Risk TB area)
- Breeding Cattle (Cows and Calves, In-Calvers, Bulling Heifers and Breeding Bulls)

A catalogue will be created for every sale to allow us to send them out to distanced and local buyers as well as posting on our Facebook page. This means that an entry form must be completed and returned to the office at least 10 days before the sale day with the seller's information (address) and cattle information (age, sex, breed and the order that they are to be sold) so that all of the information can be put in the catalogue. Any photos/videos of entries beforehand can be advertised on our Facebook page.
